

Below is a listing of our current Founder Society members and Annual Donors listed on our Donor Wall in the lobby of Betsy Johnson Regional Hospital in Dunn. This wall exists to honor and recognize those who have graciously contributed to assure the excellence of the services and programs that truly make a difference in healthcare today and for generations to come. Our goal is to install a similar Donor Wall at our new Central Harnett Hospital in Lillington and at each clinic throughout the County. To qualify for our recognition on our Founders Society Wall, gifts range from \$5,000 - \$50,000 and to qualify for our Annual Donor Wall, gifts range from \$200 - \$4,999. With over 125,000 patients visiting our hospitals and clinics annually, your gift in honor or memory of an individual, family or organization will act as a cornerstone of our continued success.
